Straight Talk to Men By James C. Dobson

What does it mean to be a man in today's society?

What does it mean to be a man in today's society-by God's standards?

James Dobson, one of America's foremost authorities on the family stakes a clear path through the confusion between the world's definition and God's definition of what constitutes a man.

In this classic work on men's roles and their responsibilities, Dr. Dobson gives men information they can use to build a home with the traits and qualities that God meant every home to have:

- Stability and leadership without dictatorship
- A solid system of family finances
- Children who know God and feel good about themselves
- Wives who feel supported, enabled, and loved
- Meaningful times of togetherness and mutual encouragement

A clear-headed, straight-from-the shoulder resource that belongs on every family's bookshelf.
