**R. L. Stine Fear Street Nights 2 Books Collection (Midnight Games, Moonlight Secrets)** By R. L. Stine

This is a two books collection. Titles in this collection are:

Midnight Games,

Moonlight Secrets

R.L. Stine is the massive bestselling Young Adult horror writer, and with over four million copies in print of Fear Street titles, he is often attributed with inventing the teen horror genre. His hugely successful Goosebumps series became a worldwide multimedia phenomenon, and has sold more than 250 million copies. R.L. Stine lives and works in New York.

It all started with Lewis and Jamie sneaking out late at night to be together. Then their friends started joining them, first at the old burnt-down Fear Mansion, then, later, at the local club 'Nights'. They called themselves the Night people. And they carefully protected their secret world. No parents, no work, no stress -- just chilling with friends in their own private after-hours club. But then the nights turned dark. Unexplainable accidents, evil pranks...and, later, the killings. The Night People know they have to stop the horror all by themselves, or else risk exposure. Not to mention their lives...
