Play of Passion (Psy/Changeling Series Book 9) By Nalini Singh

A Psy/Changeling novel from the *New York Times* bestselling author of *Shards of Hope*, *Shield of Winter*, and *Heart of Obsidian*... "the alpha author of paranormal romance" (*Booklist*). As a conflict with Pure Psy looms on the horizon, two powerful wolves fight a far more intimate war of their own ...

In his position as Tracker for the SnowDancer pack, it's up to Drew Kincaid to rein in rogue changelings who've lost control of their animal halves - even if it means killing those who've gone too far. But nothing in his life has prepared him for the battle he must now wage - to win the heart of a woman who makes his body ignite...and who threatens to enslave his wolf.

Lieutenant Indigo Riviere doesn't easily allow skin privileges, especially of the sensual kind - and the last person she expects to find herself craving is the most wickedly playful male in the den. Everything she knows tells her to pull back before the flames burn them both to ash...but she hasn't counted on Drew's will.

Now, two of SnowDancer's most stubborn wolves find themselves playing a hotly sexy game even as lethal danger stalks the very place they call home...

## **Editorial Review**

From Publishers Weekly

Singh returns to the dynamic community of her changeling wolf pack in the feel-good ninth Psy-Changeling installment (after July 2010's *Bonds of Justice*). Indigo, a SnowDancer lieutenant, will only date someone who is her equal in rank. As the pack's tracker, Andrew Kincaid is outside of the rigid ranking structure, and he'll use all his charm and persistence to strike the right balance between wooing and challenging aggressive, dominant Indigo. The game between them, alternately playful and deliciously sexy, is set against a backdrop of a war among members of the emotionless Psy Council, a war that puts the entire SnowDancer pack at risk. Longtime fans will welcome the return to the well-drawn and engaging culture of changelings after two installments focused on human/Psy relationships. The overarching series plot looms over the romance, drawing readers further into a world of intrigue, deception, and love. (Nov.) (c)
