## I, Claudius: A Full-Cast BBC Radio Drama By Robert Graves

A full-cast dramatization of Robert Graves's brilliant account of the madness and debauchery of ancient Rome, starring Tom Goodman-Hill as Claudius and Derek Jacobi as Augustus. The wickedly entertaining inside story of the lives and deaths of the imperial dynasty from Augustus to Nero is told by their obscure relation, Claudius. In public, Claudius is a stammering, drooling weakling, whose reputation as an idiot keeps him safe from office and assassination. But in private, he's as sharp as they come, and keeps a secret history of everything he discovers. Until one day, as one of the few of his family left alive, he's proclaimed Emperor against his will. Can he save Rome from the corruption he's grown to detest? Featuring Derek Jacobi as Augustus, and with a star cast including Harriet Walter and Tim McInnerny, this gripping dramatization perfectly evokes the atmosphere of decadence and vice in the imperial courts of ancient Rome.
