House of Eight Orchids By James Thayer

In 1912, John Wade and his brother, William—children of the American consul—were kidnapped off the street in Chungking, China, and raised in the house of Eunuch Chang, the city's master criminal. Twenty-five years later, John is the eunuch's most valuable ward, a trained assassin and swindler, and William has become a talented forger. On the brink of World War II, China is in chaos. When William betrays Eunuch Chang and escapes to central China, a place of ferocious warlords and bandits, John begins a desperate search to save his brother, while Eunuch Chang hunts them both.
