## Love Monster By Rachel Bright

Love Monster is a slightly hairy monster trying to fit in with the cuddly residents of Cutesville. But as it turns out, it's hard to fit in with the cute and the fluffy when you're a googly-eyed monster. And so, Love Monster sets out to find someone who will love him just the way he is. His journey is not easy?he looks high, low, and even middle-ish. But as he soon finds out, in the blink of a googly eye, love can find you when you least expect it.

Look out for *Love Monster and the Perfect Present*, coming in Fall 2014.

## Editorial Review

From [Booklist](#)

'Tis the season for all things monstrous—but not in Cutesville, “Home of the Fluffy.” Bright’s hairy, snaggle-toothed monster feels out of place amid the town’s cutesy critters, so he packs his binoculars and guidebooks (The Rough Guide to the Big Wide World and Making Friends for Dummies, among others) and hits the road. Like the main characters in Mo Willems’ *Leonardo, the Terrible Monster* (2005) and Tammi Sauer’s *Mostly Monsterly* (2010), Monster’s appearance doesn’t match his sensitive disposition, and he yearns for someone to love him “just the way he is.” Bright’s rough-textured print technique—think degraded photocopy—suits our scruffy little hero to a T, while the bright, saturated color palette of reds and purples against pale and pretty backgrounds reflects his optimistic nature. The ending is disappointingly run-of-the-mill—after searching high and low, Monster’s soul mate turns out to be a bus-driving girl monster who looks exactly like him—but the friendly, clever text and winsome illustrations make this book a decent seasonal addition to the bedtime stack. Preschool-Kindergarten. --Paula Willey

## Review

“You might have noticed that everyone loves kittens, and puppies and bunnies. You know, cute, fluffy things,” remarks the chatty narrator of *Love Monster*, a winning picture book by Rachel Bright. The world’s affection for cuteness makes it tough for the funny-looking, ‘slightly hairy’ title character who yearns for love and acceptance. Ms. Bright uses a style of printmaking that yields coarse black lines, which she has filled in with color to evoke the Love Monster’s feelings of both despondency and hope as he searches the (frustratingly cute) world for a kindred spirit. With the Monster, as with many a lonely soul, love arrives when he least expects it in this ultimately happy excursion for 2- to 5-year-olds.” *The Wall Street Journal*

“...Bright has a brisk but sympathetic voice that’s appealingly British, and her visual pacing is impeccable. Like the monster itself, this story wears its heart very visibly.” *Publishers Weekly*

“Scarily good!” *Kirkus Reviews*

“Like the main characters in Mo Willems’ *Leonardo, the Terrible Monster* (2005) and Tammi Sauer’s *Mostly Monsterly* (2010), Monster’s appearance doesn’t match his sensitive disposition, and he yearns for someone to love him “just the way he is.” Bright’s rough-textured print technique--think degraded photocopy suits our scruffy little hero to a T, while the bright, saturated color palette of reds and purples against pale and pretty backgrounds reflects his optimistic nature.” *Booklist*

“Sweet.” *School Library Journal*

## About the Author

**Rachel Bright** is a wordsmith, printmaker, and thinker of happy thoughts. The author-illustrator of several acclaimed picture books, she is passionate about time-honored printmaking techniques. She works from her converted caravan studio, on a farm near the sea in the south of England, where she lives with her partner, a dog called Elvis, and a cat called Superman.

## **Users Review**

### **From reader reviews:**

#### **Sarah Alexander:**
