In The Time of the Butterflies Lesson Plan By eNotes

Written by Julia Alvarez, *In the Time of the Butterflies* is an account of the lives of the four Mirabal sisters, women who lived under the political regime of Rafael Trujillo in the Dominican Republic during most of Trujillo's 31-year reign. The work is a novel, the story of the sisters told through fiction, but it is rooted in historical accuracy and the author's own past. Three of the four sisters became involved in the underground that worked to overthrow the brutal dictator, and all three were murdered after a plan to depose him was exposed. eNotes lesson plans have been written, tested, and approved by working classroom teachers.
