Editorial Review

About the Author

James Robert Bitter is Professor of Counseling at East Tennessee State University. He is a Diplomate in Adlerian Psychology (NASAP, 2002) and a former editor of the Journal of Individual Psychology. He started his Adlerian career at Idaho State University under the guidance of Tom Edgar, and worked for more than thirty years with the late Manford Sonstegard. Together with Drs. Oscar Christensen, Clair Hawes, and Bill Nicoll, he is a founding faculty member of the Adlerian Training Institute based in Port St. Lucie, Florida. Jim is an Adlerian integrationist who uses Adlerian Psychology as the basis for his work, but he also integrates what he has learned from other great teachers in his life, including the late pioneer of family therapy in America, Virginia Satir, the work of the Gestalt Master therapists, Erv & Miriam Polster, and the postmodern work of the late Narrative therapist, Michael White.

Users Review

From reader reviews:

Christina Moss:

The book Contributions To Adlerian Psychology can give more knowledge and information about everything you want. Why must we leave the best thing like a book Contributions To Adlerian Psychology? Some of you have a different opinion about e-book. But one aim that book can give many information for us. It is absolutely correct. Right now, try to closer along with your book.
