The Oxford Handbook of Hume (Oxford Handbooks) From Oxford University Press

The Scottish philosopher David Hume (1711-1776) is widely regarded as the greatest and most significant English-speaking philosopher and often seen as having had the most influence on the way philosophy is practiced today in the West. His reputation is based not only on the quality of his philosophical thought but also on the breadth and scope of his writings, which ranged over metaphysics, epistemology, morals, politics, religion, and aesthetics.

The Handbook's 38 newly commissioned chapters are divided into six parts: Central Themes; Metaphysics and Epistemology; Passion, Morality and Politics; Aesthetics, History, and Economics; Religion; Hume and the Enlightenment; and After Hume. The volume also features an introduction from editor Paul Russell and a chapter on Hume's biography.

Editorial Review

Review

"An impressive recent addition to the Hume literature is the Oxford Handbook of Hume, edited by Paul Russell. The term "handbook" belies its heft; at over 800 pages, and weighing over 3 pounds, it is a battleship of current scholarly thinking on Hume...the *Oxford Handbook* will provide a fine reference source both for Hume's thought, and for current thinking about Hume's thought. As Hume literature has grown, a volume such as this may be particularly useful...[a] timely and useful book." -- *Metapsychology Online Reviews*

About the Author

Paul Russell is Professor of Philosophy at the University of British Columbia and the University of Gothenburg, where he is also Director of the Gothenburg Responsibility Project. His previous publications include *The Riddle of Hume's Treatise: Skepticism, Naturalism, and Irreligion* (OUP, 2008) and *Freedom and Moral Sentiment: Hume's Way of Naturalizing Responsibility* (OUP, 1995).

Users Review

From reader reviews:

Earline Shepler:

Reading a book can be one of a lot of action that everyone in the world really likes. Do you like reading book and so. There are a lot of reasons why people fantastic.
