Backyard Farming on an Acre (More or Less) (Living Free Guides) By Angela England

Plan and plant a successful and sustainable backyard farm — from a quarter acre to a full acre and beyond — right in your own backyard. By raising and harvesting their own fruits, vegetables, chickens, bees, milk-bearing animals, and more, people are growing locally, sustainably, and at a fraction of the cost.

Backyard Farming on an Acre (More or Less) is written by someone who has planned and run a successful small-scale farm. Angela England guides you through the essentials of planning a small farm — deciding what should be grown or raised, implementing proven, sustainable techniques, and maximizing yield and harvest.

Editorial Review

About the Author

Angela England is a freelance writer who, along with her husband and five children, cultivates a 1/2 acre farm in their Oklahoma backyard where they manage to raise dairy and meat goats, keep enough chickens for eggs and free-range poultry, and foster an intensively productive garden for fresh fruits and vegetables. Angela is the founder of UntrainedHousewife.com and enjoys guiding others in recapturing the lost arts of self-sufficient living. She also manages and maintains the Blissfully Domestic community and contributes to other sites and forums on a regular basis.
