**Infertility: Diagnosis, Management and IVF** From Brand: Jaypee Brothers Medical Pub

This book is a comprehensive guide to the diagnosis and management of infertility. Beginning with an introduction to infertility and fertility testing, the following chapters discuss the causes and treatment of both male and female infertility, In Vitro Fertilisation (IVF), guidelines for infertility treatments and birth defects. The final sections examine regulatory issues and social and emotional aspects of assisted reproductive technology (ART). Authored by renowned experts in the USA, this manual includes more than 200 colour images and illustrations.
