Gifts Differing: Understanding Personality Type By Isabel Briggs Myers, Peter B. Myers

Like a thumbprint, personality type provides an instant snapshot of a person's uniqueness. Drawing on concepts originated by Carl Jung, this book distinguishes four categories of personality styles and shows how these qualities determine the way you perceive the world and come to conclusions about what you've seen. It then explains what they mean for your success in school, at a job, in a career and in your personal relationships.

For more than 60 years, the Myers-Briggs Type Indicator (MBTI) tool has been the most widely used instrument in the world for determining personality type, and for more than 25 years, *Gifts Differing* has been the preeminent source for understanding it.

Editorial Review

Review

Ringling with practical implications, Gifts Differing both educates and inspires.?**Judy Waterman, Principal, Career Management Group**

About the Author

The late Isabel Briggs Myers devoted her life to the observation, study, and measurement of personality. With her mother, Katharine Briggs, she authored the Myers-Briggs Type Indicator® personality inventory. Peter B. Myers, Ph.D., continues research work on the development and application of personality type. Former staff director of the National Academy of Science, he is currently extending the use of the MBTI® instrument worldwide.

Users Review
