## THE GODS ARE BACK. DID YOU MYTH THEM?

You probably saw the press conference. Nine months ago, Zeus's murder catapulted the Greek gods back into our world. Now they revel in their new temples, casinos, and media empires - well, all except Apollo. A compulsive overachiever with a bursting portfolio of godly duties, the amount of email alone that he receives from rapacious mortals turns each of his days into a living hell.

Yet there may be hope, if only he can return Zeus to life! With the aid of Thalia, the muse of comedy and science fiction, Apollo will risk his very godhood to help sarcastic TV producer Tracy Wallace and a gamer-geek named Leif - two mortals who hold the key to Zeus's resurrection. (Well, probably. Prophecies are tricky buggers.)

Soon an overflowing inbox will be the least of Apollo's troubles. Whoever murdered Zeus will certainly kill again to prevent his return, and avoiding them would be far easier if Apollo could possibly figure out who they are.

Even worse, the muse is starting to get *cranky*.

Discover a world where reality TV heroes slay actual monsters and the gods have their own Twitter feeds: ***Zeus Is Dead: A Monstrously Inconvenient Adventure!***

*Grab the comedic fantasy that reviewers are comparing to the work of Neil Gaiman and Terry Pratchett!*

### Editorial Review

#### Review

"*Zeus Is Dead* is full of laugh-out-loud moments, lashings of sly wit, moan-worthy puns, and a complex, fast-paced storyline. There aren't very many humorous fantasy murder mysteries out there, especially not as intricately constructed as this one. Michael G. Munz takes a 'What if,' and runs with it like a toddler with Mom's smart phone. The guffaw-worthy throwaway bits (stay tuned for the battle sundae) will remind you of Douglas Adams. A very enjoyable read."

**-Jody Lynn Nye, author of *View from the Imperium* and co-author of the *Myth Adventures of Aahz and Skeeve***

"Not since the people of Atlantis predicted 'low humidity' has there been such an original twist in Greek Mythology. This book is also far more amusing."

**-Brian Rathbone, creator of the bestselling *Godsland Fantasy Series***

"I have not enjoyed a tongue-in-cheek comedy book this much in a long, long time."

**-Abyss & Apex Magazine**

"A hilarious mythological tale of god-like proportions. Munz has crafted a tale of bizarro comic fantasy that sits comfortably among the ilk of Gaiman and Pratchett."

**-Andrew Buckley, author of *Death, the Devil, and the Goldfish***

"Delivering us from a sea of endlessly morose and self-important supernatural fiction, *Zeus Is Dead* understands that Greek mythology is more than a little bit insane and--rather than ignore the unseemly aspects--embraces them with the appropriate level of snark and style. Munz's tale echoes the bureaucratic insanity of Douglas Adams's creations, the banter of Grant and Naylor's *Red Dwarf*, and the cynicism of Ben Croshaw in order to bring us a clever, hilarious tale of adventure and grudging heroism."

**-Jonathan Charles Bruce, author of *Project Northwoods***

#### About the Author

An award-winning writer of speculative fiction, **Michael G. Munz** is also fascinated with Greek mythology. Michael also possesses what most "normal" people would likely deem far too much familiarity with a wide range of geek culture, though he prefers the term geek-bard: a jack of all geek-trades, but master of none. Or mostly none. There are exceptions. He dwells in Seattle where he continues his quest to write the most entertaining novel known to humankind and find a really fantastic clam linguini. Find out more about him at [michaelsmunz.com](http://michaelsmunz.com).

### Users Review

#### From reader reviews:

#### Juan Carrillo:

Why don't make it to be your habit? Right now, try to ready your time to do the important work, like looking for your favorite e-book and reading a publication. Beside you can solve your trouble; you can add your knowledge by the publication entitled Zeus Is Dead: A Monstrously Inconvenient Adventure. Try to make

the book Zeus Is Dead: A Monstrously Inconvenient Adventure as your buddy. It means that it can be your friend when you sense alone and beside that of course make you smarter than ever before. Yeah, it is very fortunate in your case. The book makes you considerably more confident because you can know everything by the book. So, let me make new experience in addition to knowledge with this book.

#### **Marilyn Leonard:**

What do you with regards to book? It is not important together with you? Or just adding material when you need something to explain what the ones you have problem? How about your free time? Or are you busy man? If you don't have spare time to complete others business, it gives you the sense of being bored faster. And you have spare time? What did you do? Everyone has many questions above. The doctor has to answer that question due to the fact just their can do which. It said that about book. Book is familiar in each person. Yes, it is appropriate. Because start from kindergarten until university need this Zeus Is Dead: A Monstrously Inconvenient Adventure to read.

#### **Freddie Valdez:**

Nowadays reading books be a little more than want or need but also be a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The information you get based on what kind of book you read, if you want get more knowledge just go with education and learning books but if you want really feel happy read one having theme for entertaining such as comic or novel. Typically the Zeus Is Dead: A Monstrously Inconvenient Adventure is kind of publication which is giving the reader erratic experience.

#### **Jessica Jones:**

What is your hobby? Have you heard this question when you got learners? We believe that that concern was given by teacher to their students. Many kinds of hobby, Every individual has different hobby. And also you know that little person just like reading or as reading through become their hobby. You need to understand that reading is very important and also book as to be the matter. Book is important thing to add you knowledge, except your personal teacher or lecturer. You discover good news or update with regards to something by book. Amount types of books that can you decide to try be your object. One of them is actually Zeus Is Dead: A Monstrously Inconvenient Adventure.
