Applied Corporate Finance By Aswath Damodaran

Readable and usable in style and valuable in approach, this text provides the practical and succinct advice that students and practitioners need, rather than a sole concentration on debate theory, assumptions, or models. Like no other text of its kind, the author applies corporate finance to real companies. The new *Third Edition* has four real-world core companies to study and follow. Perfected suited for MBA programs' corporate finance and equity valuation courses, all business decisions are classified into three groups: the investment, financing, and dividend decisions.
