### 50 Shades of Pink By KT Grant

Best-selling erotica author KT Grant gives us a lesbian spin on the now-classic dynamics of EL James' Fifty Shades of Grey trilogy where a young ingénue is seduced by, and eventually teaches love to, the broken billionaire.

Living in Manhattan and working at Virago, one of the most successful women's magazines in the nation, is a dream come true for Lindsay Pinke. After five years of being overworked and underpaid in the research department, Colette Duarte, the provocative executive editor of the magazine, finally notices her. She offers Lindsay the coveted job as her personal assistant, but first she must prove she's worthy of the position.

Lindsay must interview Victoria Nox, the elusive and extremely private CEO of Nox Media Holdings. If Lindsay succeeds, Colette promises her great things for her publishing career. If Lindsay fails, her chance as a respected writer will be cut short.

A chance meeting with Victoria at a high-class function puts into motion a series of events that leaves Lindsay blindsided by her strong physical reaction to the magnetic but foreboding woman. When Lindsay unwittingly falls into Victoria's world of dark temptations and complex entanglements, she learns the shocking truth Victoria hides about Colette that rocks Lindsay to her very core.

Now that Lindsay has become a balm on Victoria's soul, is she strong enough to help Victoria confront her shameful past, and stop one woman's sick games once and for all?
