**Tiger Tracks (Alaskan Tigers Book 9)** By Marissa Dobson

Styx has a mission. He's chasing after a woman who's on the run from a vindictive Alpha. His skills as an assassin will aid him in finding her, and then he can get her somewhere safe.

Mira's intentions have been exposed: she's a secret supporter of the Alaskan Tigers. Now she has to run for her life. She never thought wanting a better future for shifters would cost her so much. She has lost her clan and her family, but her decisions have brought her someone she wasn't expecting—her mate.

Styx believes he's undeserving of a mate, and is having difficulty coming to terms with his former life as an assassin. No matter how much he's done for the Alaskan Tigers, he doesn't believe his mate would be able to overlook his past. Choices. Life is full of them, and those choices are what bring two mates together. It could also be what tears them apart.

## **Editorial Review**

### **About the Author**

Born and raised in the Pittsburgh, Pennsylvania area, Marissa Dobson now resides about an hour from Washington, D.C. She's a lady who likes to keep busy, and is always busy doing something. With two different college degrees, she believes you are never done learning. Being the first daughter to an avid reader, this gave her the advantage of learning to read at a young age. Since learning to read she has always had her nose in a book. It wasn't until she was a teenager that she started writing down the stories she came up with. Marissa is blessed with a wonderful supportive husband, Thomas. He's her other half and allows her to stay home and pursue her writing. He puts up with all her quirks and listens to her brainstorm in the middle of the night. Her writing buddies Cameron (a cocker spaniel) and Dawne (a beagle mix) are always around to listen to her bounce ideas off them. They might not be able to answer, but they're helpful in their own ways. She love to hear from readers so send her an email at [marissa@marissadobson.com](mailto:marissa@marissadobson.com) or visit her online at <http://www.marissadobson.com>.

## **Users Review**

### **From reader reviews:**

#### **Brandon Huff:**

Book is definitely written, printed, or highlighted for everything. You can realize everything you want by a guide. Book has a different type.
