French Text

Here is an unpublished work about the Wallonie Legion and its members engaged on the Eastern Front in the uniform of the Heer from 1941 to 1945. Here the reader will dive into the archives and documents still mostly unpublished to this date, including previously unedited stories and also tales of the legionnaires. It offers biographies of most of the officers. One will also find rare and previously unseen archives of newspapers and propaganda for the Wallonie Legion, shedding light on its development and international reputation, so important to the morale of the Legionaries and the families of these men.

This work is rich in both written and photographic documentation along with previously undisclosed information about the activities and services LW. It will provide researchers and amateur historians of the Legion many details and clarifications about the "uses and customs," service organizations and actions both inside and outside the LW.
