**Textbook on International Human Rights** By Rhona Smith

Clearly written and broad in scope, *Textbook on International Human Rights* gives a concise introduction to international human rights, including regional systems of protection and the key substantive rights. The author skillfully guides students through the complexities of the subject, making it accessible to those with little or no prior legal knowledge. Key cases and areas of debate are highlighted throughout, and a wealth of references to cases and further readings are provided at the end of each chapter.
