**Ready or Not (All-American Girl)** By Meg Cabot

Top ten things Samantha Madison isn't ready for

10. Spending Thanksgiving at Camp David
9. With her boyfriend, the president's son
8. Who wants to take things to the Next Level
7. Which Sam inadvertently announces live on MTV
6. While discussing the president's dubious policies on families, morals, and, yes, sex
5. Juggling her new after-school job at Potomac Video
4. Even though she's already the (unpaid) teen ambassador to the UN
3. Getting accosted because she's "the redheaded girl who saved the president's life," despite her new ebony tresses
2. Dealing with her popular sister Lucy, who for once can't get the guy she wants

And the number-one thing Sam isn't ready for?

1. Finding out the hard way that in art class, "life drawing" means "naked people"

## **Editorial Review**

From School Library Journal

Grade 9 Up—Samantha Madison is back. She is still a semi-celebrity for saving the president's life and she is still dating his son. She is faced with a huge dilemma when it appears that she not only condemns the president's new Return to Family policy, but also implies that she has slept with David. The ensuing consequences and Samantha's conflicted feelings about sex provide drama. A subplot involves Lucy, Samantha's older sister, falling for her nerdy math tutor, who does not return her feelings. This is a surprisingly political book with a positive attitude about sex. The themes are more mature than those of *The Princess Diaries* series. Samantha writes frequent top-10 lists, such as Top ten things that suck about being the sister of the most popular girl in school. Teen sexuality and honesty about protection, awkwardness, and masturbation are handled in a humorous and sensitive manner. The characters are real, witty, and relatable, and the author has an ear for teen dialogue. Some more conservative areas and school libraries might give pause, but the book is funny, smart, well paced, and honest.—*Amy Patrick, New York Public Library*

Gr. 9-12. In this lively follow-up to *All-American Girl* (2002), in which 15-year-old Samantha Madison not only saved the president's life but also nabbed the First Son as her boyfriend, narrator Samantha tries to cope with various challenges, some of which are not unusual for a 16-year-old. There's an annoying Queen Bee at school and worries about whether she's ready to have sex with her boyfriend, and her trials as a national celebrity, followed and photographed at inopportune moments. Cabot has fashioned an appealing heroine, opinionated but willing to change her mind, self-centered but increasingly engaged by the rest of the world. There are no assassination attempts to thwart here, but Cabot does throw Samantha into the prickly politics--both personal and national--of premarital sex. Sense of humor intact, the teen emerges triumphant, with a stronger sense of herself and of "family values." Fans of Samantha's previous adventure will be happy to find more of her top-10 lists here, including the sobering "Top ten reasons it rules to be a teen in the United States (as opposed to elsewhere)." *Abby Nolan*
