Editorial Review

Review

Zink Magazine

“This book will not only have you bent over from laughter, but you end up realizing that there are a lot of annoying people in the world.”

Chicago Tribune

Tired of being the bigger person? Though it's not the most enlightened strategy, sometimes all you want is to tell a creep off with a brilliant comeback — which, inevitably, doesn't come to mind until hours later... The new book lets you eloquently vent your rage at life's annoying cast of characters, such as the "(blank) boss," the "overly competitive (blank)," the "social media-obsessed (blank)" and the "(blank) who left dirty dishes in the sink" ("P.S. It's been two weeks. Exactly how much longer does that pot need to 'soak'?")
