Get him drunk enough and he'll try anything once, but this time, he has to balance his own greed, with the needs of a vengeful pirate and the scheming of his dubious second-in-command, Fran. What could possibly go wrong?

In the heart of Chitec headquarters, #1001 enlists an eager young technician to aid in her escape. But it's not freedom she wants. It's revenge. The memories of a life that don't belong to her demand she finishes what she started. She believes she killed Caleb, now she's targeting Chitec CEO Chen Hung, and not even the hopeful technician can dissuade her.
