On a night after the apparent suicide of high school student Elias Malmgren, a blood-red moon fills the night sky.

Minoo wakes up outside her house, still in her pajamas, and is drawn by an invisible force to an abandoned theme park on the outskirts of town. Soon five of her classmates?Vanessa, Linnéa, Anna-Karin, Rebecka, and Ida?arrive, compelled by the same force. A mystical being takes over Ida's body and tells them they are fated to fight an ancient evil that is hunting them. As the weeks pass, each girl discovers she has a unique magical ability. They begin exploring their powers. The six are wildly different and definitely not friends . . . but they are the Chosen Ones.

In this gripping first installment of The Engelsfors Trilogy, a parallel world emerges in which teenage dreams, insanely annoying parents, bullying, revenge, and love collide with dangerous forces and ancient magic. An international sensation with rights sold in 26 countries, The Circle is razor-sharp and remarkable from start to finish.

Editorial Review

From [Booklist](#)

In this first installment in the Engelsfors Trilogy, a small Swedish town has a big magic problem. It has become the seat of some spooky paranormal activity, namely a series of suspicious student suicides. Thankfully, the Chosen One has been summoned; only there's not one but six teenage girls imbued with magical abilities. Minoo, Vanessa, Rebecka, Anna-Karin, Ida, and Linnea rarely get along, but like it or not, they have to work together to hone their newfound magical abilities and defeat the shadowy figure who stalks them in the night. If that weren't a big enough problem, the girls also struggle with usual high-school troubles—eating disorders, absent parents, drug and alcohol abuse, bullying—which, at times, overshadow the looming presence of evil. The Scandinavian setting provides a chilly atmosphere to an otherwise dark story of struggling teens and a rash of suicides, but the multilayered, cinematic plot is buoyed by the girls' determination, as well as the understated and idiosyncratic presence of magic. Grades 9-12. --Sarah Hunter

Review

"What a stunning novel. Raw, real, smart, very thrilling and very, very wicked. *The Circle* is *Twilight* by way of *The Girl With the Dragon Tattoo*."—Lev Grossman, bestselling author of *The Magicians*

"*The Circle* is a story about group dynamics, identity, and finding one's place in the world. Like all great books, it's about how people handle the difficult task of becoming human beings, together with other human beings."—John Ajvide Lindqvist, bestselling author of *Let the Right One In*

"*The Circle* ensnares you from the start, with all the epic mayhem and darkness of *Buffy the Vampire Slayer* and with teen characters as rich and nuanced as any reader could hope for. It's an utterly convincing world, and a resonant one, and we find ourselves wanting to follow its heroes anywhere." —Megan Abbott, bestselling author of *Dare Me* and *The End of Everything*

"A beautiful, frightening, empowering novel reminiscent of the best of Scott Westerfeld or Anne Rice, *The Circle* puts its mismatched heroines--and readers--at the center of an ancient conspiracy of magic as terrifying as it is realistic. Enthralling from start to finish." —Elizabeth Hand, bestselling author of *Available Dark* and *Walking the Moon*

"Rightly destined to be the next cult read." —*The Telegraph*

"[*The Circle*] reads like the *The Demon Headmaster* set in a Swedish *Twin Peaks* with a nod to Stieg Larsson." —*The Observer*
