# Exam 70-413 Designing and Implementing a Server Infrastructure (Microsoft Official Academic Course)

*By Microsoft Official Academic Course*

**Exam 70-413 Designing and Implementing a Server Infrastructure (Microsoft Official Academic Course)** By Microsoft Official Academic Course

This Microsoft Official Academic Course (MOAC) IT Professional curriculum prepares certification students for success every step of the way. This 70-413 Designing and Implementing a Server Infrastructure  exam course is the first of a series of two exams Microsoft Certified Solutions Associates (MCSE) candidates are required to pass to gain the  MCSE: Windows Server 2012 and Windows Server 2012 R2 certification. These MCSE exams test the skills and knowledge necessary to design, implement, and maintain a Windows Server 2012 infrastructure in an enterprise scaled, highly virtualized environment. Passing these exams confirms students' ability to plan, configure, and implement the Windows Server 2012 services, such as server deployment, server virtualization, and network access and infrastructure.   This complete ready-to-teach MOAC program is mapped to all of the exam objectives.

## Editorial Review

About the Author
The **Microsoft Official Academic Course (MOAC) Program** is the official product for Microsoft Programs in higher education. These learning products are created especially for the academic market and combine the business world focus and market research of Microsoft with 200 years of successful higher education publishing from Wiley.
The program is based upon the same curriculum as the Microsoft IT Certifications to build the skills students need to succeed at work and the preparation they need to validate those skills and get the jobs they seek. All the support instructors need to deliver great courses on Microsoft software is in the program. Student copies of the textbooks include the trial software in select markets and student files for completing homework assignments. Microsoft Updates will bring you the latest information on new products and curriculums and are a part of the program. MOAC is a great way for instructors to get ready to teach and for students to get ready for work.

## Users Review
