Girls are Weirdos but They Smell Pretty By Todd Harris Goldman

Here's the perfect gift for a girl (a pretty grown-up girl, that is) to give to her best friend forever—when her BFF is having a birthday, or a bad hair day, or a low self-esteem day, or an I-don't-understand-my-boyfriend day. Because even though it sounds like you're calling your friend a weirdo, this book is in fact a wonderfully astute and affectionate look at the female psyche, and perfect for any girl with a sense of humor (and a desire to know what boys think of girls).

With his unique Homer-Simpson-channeled-through-Jessica-Simpson sensibility, Todd Harris Goldman—that Todd Harris Goldman, the funny, crude, un-PC, very savvy author of *Boys Are Stupid, Throw Rocks at Them!*—explains why boys think the opposite sex is weird. Narrated by a boy who's sort of a moron, it questions all the things that are completely alien to boys, but with a surprisingly sweet insight and great good spirit. Waxing vs. shaving. The color pink. Shoe obsessions. The everyday dilemma: "Does this dress make me look fat?" The appeal of tiny little dogs. Fake boobs. The mysteries of PMS. In the end he can only conclude that girls are weirdos and leave it at that—a conclusion that girls will not only understand but own up to proudly.

Editorial Review

Users Review

From reader reviews:

Jonathan Scott:

What do you concerning book? It is not important along? Or just adding material when you really need something to explain what you problem? How about your time? Or are you busy particular person? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Every person has many questions above. They have to answer that question since just their can do that. It said that about reserve. Book is familiar in each person. Yes, it is right. Because start from on guardería until university need that Girls are Weirdos but They Smell Pretty to read.

Jean Gadson:

Nowadays reading books become more and more than want or need but also be a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book this improve your knowledge and information. The details you get based on what kind of book you read, if you want attract knowledge just go with education and learning books but if you want really feel happy read one together with theme for entertaining for instance comic or novel. Often the Girls are Weirdos but They Smell Pretty is kind of guide which is giving the reader unpredictable experience.

Roberto Garcia:

Often the book Girls are Weirdos but They Smell Pretty will bring someone to the new experience of reading some sort of book. The author style to elucidate the idea is very unique. When you try to find new book to read, this book very acceptable to you. The book Girls are Weirdos but They Smell Pretty is much recommended to you to see. You can also get the e-book from official web site, so you can quicker to read the book.

Sandra Kelley:

This Girls are Weirdos but They Smell Pretty is great publication for you because the content that is full of information for you who all always deal with world and still have to make decision every minute. That book reveal it details accurately using great manage word or we can state no rambling sentences in it. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but tricky core information with wonderful delivering sentences. Having Girls are Weirdos but They Smell Pretty in your hand like obtaining the world in your arm, information in it is not ridiculous a

single. We can say that no e-book that offer you world within ten or fifteen small right but this publication already do that. So , this is certainly good reading book. Heya Mr. and Mrs. busy do you still doubt this?
