The World History Timeline - Volume I, "From the Rise of Humanity to the Fall of Rome", plots over 200,000 years of world history in a clear, easy to understand way for the reader to enhance their overall understanding of world history.

Significant events in the unfolding of human history are captured here, from the ancient kings of the Indian subcontinent to the construction of the first cities in South America to the domination of the Hittites in the middle east and culminating in a final explosive collapse of the Roman Peace and the onset of the Dark Ages.

Richly illustrated, the World History Timeline is brief in places and goes into detail with other, more significant, events.
