Editorial Review

From School Library Journal

Gr 3–5—This humorous collection of five adventures features characters and plots from the hit Nickelodeon TV series of the same name. Each episode averages about 10 pages in length and aptly matches the pacing of the TV show. Multiple adventures lead Harvey and his friends to interact with monsters or supernatural beings, and friendship is always the end result. Misunderstandings fuel the humor, and several episodes play up Harvey's gross misreading of a situation, much to readers' delight. The artwork is vibrant and cartoony and will appeal to viewers of the show and those who are just looking for a good laugh. **VERDICT** A funny new series that's sure to please.—Samantha Lumetta, Public Library of Cincinnati and Hamilton County, OH
