Editorial Review

Amazon.com Review

Psychic and spiritual teacher Sylvia Browne has appeared on all the right talk shows--*Montel Williams*, *Larry King Live*, *Coast to Coast with Art Bell*, and *Unsolved Mysteries*, to name only a few--touting her bestselling books *Adventures of a Psychic* and *The Other Side and Back*. Find out what all the ruckus is about in Book I of her Journey of the Soul series. Browne primarily channels through her spiritual guide, Francine, but she occasionally treats readers with insights from her "psychic grandmother" Ada. Together they talk about subjects ranging from meditation to reincarnation in three separate, thought-provoking sections. Founder of The Society of Novus Spiritus, a church based upon Christian Gnostic theology in Campbell, California, Browne introduces the book with a prayer, hoping that "the new spirit of enlightenment will rise out of all guilt and fear"--a worthy intention that signals the astonishing array of topics touched on in the 228 pages of this book.

About the Author

SYLVIA BROWNE was born in Kansas City, Missouri. At three years old, Sylvia's psychic powers were revealed when she announced that her grandfather was dead (he was), and that she would have a baby sister in three years. Just as predicted, Sharon was born one month short of Sylvia's sixth birthday. Sylvia's grandmother, Ada Coil, was herself a medium; and Celeste, Sylvia's mother, grew up in a home where visions were commonplace. Although she herself was not psychic, Celeste accepted it as normal, if somewhat annoying. She did not welcome more eccentricity in her life, however, and would do nothing to encourage it in her daughter. Their lifelong relationship was strained, but Sylvia's relationship with her father was very close and loving. Millions of people have witnessed Sylvia Browne's incredible psychic powers on TV shows such as *Montel*, *Larry King Live*, *Entertainment Tonight*, and *Unsolved Mysteries*; and she has been profiled in *Cosmopolitan*, *People* magazine, and other national media. Sylvia is the author of numerous books and audios; is president of the Sylvia Browne Corporation; and is the founder of her church, the Society of Novus Spiritus, located in Campbell, California.
