Bone, Vol. 4: The Dragonslayer By Jeff Smith

The forces of evil are growing stronger - but could our heroes' worst enemy be Phoney Bone himself?

Get Print Book

Fone Bone confronts a host of dangers in Book 4 of the BONE saga, The Dragonslayer. He and Gran'ma Ben and Thorn have a terrifying encounter with Kingdok, ruler of the rat creatures. The Hooded One is inciting his army to full-scale war. Someone is continuing to haunt Thorn in her dreams. And then wise Gran'ma Ben disappears.

To make matters worse, Phoney Bone has hoodwinked the townspeople into believing that he is a mighty dragonslayer. When he actually does catch the Red Dragon -- much to his surprise -- he must face up to his promise: to slay the dragon at sunrise.

Editorial Review

Amazon.com Review

When Bone first came on the scene, critics raved about it, often mentioning it as being "fun for the whole family." Jeff Smith has always been wary about others labeling his work "for children," partly because he knew that "no topic of human experience--from the introspection of *Peanuts* or the politics of *Doonesbury* to the lyricism of *Pogo*--was beyond the wonderful world of comics." He was also cautious because he knew that the story he was telling was going to deal with issues and themes graver than Saturday morning's cotton-candy cartoons. In *Bone: The Dragonslayer*, the first volume of the second Bone trilogy, there is conflict, sometimes involving violence. There are forces of evil. There is war. But Bone is neither pap nor pabulum; it is challenging without being obtuse, and yes, even within its fantasy setting, Bone is real. This distinct combination makes it the best kind of children's book. Parents, read this book *with* your children. You'll find it may turn out to be your favorite book, too.

From School Library Journal

Grade 4 Up—This book will no doubt please fans of the series, but the plot is somber and often drags, and the humor is too easy, too sparse, and not dry-witted, as in earlier titles. What the story lacks in plot, it makes up for in character development; there are back stories about Thorn; Gran'ma; and a mysterious, new, hooded dark leader; and the relationship between Fone Bone and Thorn deepens. While the series as a whole has appeal to both young and old alike, the dark images and light violence in this title might be too intense for some younger readers.—*Scott La Counte, Anaheim Public Library, CA*

Review

Praise for the Bone series

Named one of the top ten graphic novels of all time by *Time*

"Spectacular." -*Spin* magazine

"One of the best kids' comics ever." -*VIBE* magazine

"Jeff Smith's Bone series . . . is a true accomplishment. Not only is it a terrific graphic-novel series, but it's a superb example of storytelling." -*School Library Journal*

"Bone is storytelling at its best, full of endearing, flawed characters whose adventures run the gamut from hilarious whimsy to thrilling drama." -*Entertainment Weekly*
