More Than Enough By Jay McLean

There's no emotion greater than fear. No ache greater than grief. No sound greater than silence. *** I'm grateful he showed up on my doorstep, pissed off and angry at the world. If he hadn't, I wouldn't be here. And I don't just mean here on this journey with him. I mean here, in this world. * I wonder what events in all our lives—hers included—are The Turning Points? The points where we all determine that the fear of our pasts and the uncertainty of our futures are greater than our need for happiness. Here. Now. While time and everything around us stands unmoving... who's to say we can't have it all? *** We wanted it all. We wanted it with each other. We thrived on the chaos we created. And ignored the Mayhem that ensued. Because falling in love was easy. But sometimes, love isn't enough.

Editorial Review

About the Author

Jay McLean is the author of the More Than Series, the Road series, and the Combative trilogy. Jay is an avid reader, writer, and most of all, procrastinator. When she's not doing any of these things, she can be found running after her two little boys or devouring a tacky reality TV show. Visit her at jaymcleanauthor.com.

Maxine Mitchell is passionate about animals, traveling, coffee, a good bottle of wine, and great stories. Raised an Army brat, she had a mobile childhood (affording her the opportunity to meet people from many different backgrounds) that she would not trade for anything. She currently lives in Los Angeles, California.

Joe Arden's narration has been described as "sensual," "sexy," and "hot." His recordings range from sweet and romantic to steamy and raw. In his spare time, Joe raises and trains rescue pitbulls and restores vintage motorcycles.
