Everything there is to know about the law of self defense in Florida, including a full explanation of the 2014 changes to Stand Your Ground updated thru April 2016. This online version is a completely updated explanation of all of Florida's self defense laws, including the substantial changes made by the Legislature in 2014 to "Stand Your Ground". It took over 400 hours to research and write, and incorporates more questions-and-answers, copies of the actual statutes, and more case citations as readers were asking me for. While the print version will always be more extensive -- this e-book is designed to give you everything you need to know -- "on the go". If you have the 2014 version of this e-book, you do not need this 2016 update. Just go to my blog from the link on my website, and download or copy the free update.
