Golosa: A Basic Course in Russian, Book One (5th Edition) By Richard M. Robin, Karen Evans-Romaine, Galina Shatalina

The Fifth edition of the best-selling communicatively based text for beginning Russian is enhanced by a greater focus on contemporary culture and simplified, visual grammar explanations that will better engage your students.

Golosa : A Basic Course in Russian, 5e strikes a true balance between communication and structure. It takes a contemporary approach to language learning by focusing on the development of functional competence in the four skills (listening, speaking, reading, and writing), as well as the expansion of cultural knowledge. It also provides comprehensive explanations of Russian grammar along with the structural practice students need to build accuracy.

Golosa is divided into two books (Book 1 & Book 2) of ten units each. The units are organized thematically, and each unit contains dialogs, texts, exercises, and other material designed to enable students to read, speak, and write about the topic, as well as to understand simple conversations. The systematic grammar explanations and exercises enable students to develop a conceptual understanding and partial control of all basic Russian structures. This strong structural base enables students to accomplish the linguistic tasks and prepares them for further study of the language.

Editorial Review

Review

I would like to single out for attention the sequencing of the presentation of verbs of motion, which is particularly successful in comparison with that in other textbooks. What distinguishes *Golosa's* presentation of the verbs of motion is the principle of presenting on the basis of actual usage, rather than linguistic convention that would give equal weight to every form. I think the explanations are excellent ...

The vocabulary selection in each chapter is excellent. The authors have done a great job selecting a first vocabulary in Russian for beginning students and the Scope and Sequence proposes to eliminate words that have faded from use (e.g., who refers to a black & white or color television anymore?) and introduce words that have become important (including references to SMS and cell technology).

What swayed me definitively to the adoption of *Golosa* for our program was the vast amount of listening comprehension that comes with the book and the improved (and expanded) reading comprehension texts and tasks.

The increased number of reading comprehension texts and tasks, especially the genre of the extended e-mail exchange, is an important advantage of the fourth edition over previous editions of *Golosa*. The texts in the textbook are typical of those that our students will need to and want to read and write.

~ Benjamin Rifkin, Temple University

Golosa covers all the topics necessary for understanding basic Russian, and gives more than ample practice. I like the readings and authentic texts you have chosen.

The dialogues, which you have used in all the editions of your text, are very fine ways of showing the vocabulary in context, and leading to the grammar presentations. I have always enjoyed working with them...

~Mary Helen Kashuba, Chestnut Hill College

Golosa is the best communicative textbook out there.

~Anonymous

I like the balanced attention to the development of all four major language skills. The attention to comprehension of authentic Russian handwriting and e-mail communications is especially beneficial.

With its inclusion of a sustained, compelling e-mail correspondence and sophisticated accompanying website, this is the textbook series for English-speakers which best combines the electronic, cyberspace norms of Russian usage with traditional pedagogical emphases on the four basic language skills.

The regular inclusion of a variety of authentic handwritten texts for students to read and discuss is extremely valuable and unique.

~ Charles L. Byrd, University of Georgia

Users Review

From reader reviews:

Alan Levin:

The book Golosa: A Basic Course in Russian, Book One (5th Edition) give you a sense of feeling enjoy for your spare time. You can use to make your capable far more increase. Book can to be your best friend when you getting tension or having big problem with your subject. If you can make studying a book Golosa: A Basic Course in Russian, Book One (5th Edition) for being your habit, you can get a lot more advantages, like add your own capable, increase your knowledge about some or all subjects. You could know everything if you like open up and read a reserve Golosa: A Basic Course in Russian, Book One (5th Edition). Kinds of book are a lot of. It means that, science publication or encyclopedia or some others. So , how do you think about this reserve?

Joshua Molina:

Reading a reserve tends to be new life style on this era globalization. With reading you can get a lot of information which will give you benefit in your life. With book everyone in this world can share their idea. Books can also inspire a lot of people. Plenty of author can inspire their very own reader with their story as well as their experience. Not only the storyplot that share in the textbooks. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors in this world always try to improve their expertise in writing, they also doing some investigation before they write to the book. One of them is this Golosa: A Basic Course in Russian, Book One (5th Edition).

Bradford Bryant:

This Golosa: A Basic Course in Russian, Book One (5th Edition) is great e-book for you because the content that is certainly full of information for you who have always deal with world and possess to make decision every minute. This particular book reveal it details accurately using great arrange word or we can point out no rambling sentences inside it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but difficult core information with attractive delivering sentences. Having Golosa: A Basic Course in Russian, Book One (5th Edition) in your hand like obtaining the world in your arm, information in it is not ridiculous one. We can say that no guide that offer you world in ten or fifteen second right but this publication already do that. So , this is good reading book. Hello Mr. and Mrs. hectic do you still doubt this?

Guadalupe McCoy:

What is your hobby? Have you heard which question when you got college students? We believe that that

query was given by teacher on their students. Many kinds of hobby, Every person has different hobby. Therefore you know that little person including reading or as looking at become their hobby. You must know that reading is very important and book as to be the factor. Book is important thing to incorporate you knowledge, except your own personal teacher or lecturer. You see good news or update about something by book. Many kinds of books that can you decide to try be your object. One of them are these claims Golosa: A Basic Course in Russian, Book One (5th Edition).
