**Blood Brothers (The Sign of Seven Trilogy, Book #1)** By Nora Roberts

This exciting new trilogy, a chilling tale of three couples' battle against an increasingly powerful horror from hell, will have you waiting breathlessly for each new installment. The nightmare begins with rumors of eerie happenings in Hawkins Hollow that draw reporter Quinn Black to the small, outwardly normal-looking town. Is it true some kind of incipient evil is afoot? Caleb Hawkins, a descendent of the town's founders, knows the answer. It all began when he was a young boy and he and his two friends, in a gesture of brotherhood, mixed their blood at the ancient Pagan Stone. Somehow they released a powerful demon that has since come to the fore every seven years, making the townsfolk do unspeakable acts they later do not recall. But Cal does. When he meets Quinn, they're both overcome by an attraction of such intensity it's clear they were destined to come together in passion and purpose: to fight for the survival of a town possessed. Explicit sex.
