**Midair** By Kodi Scheer

**For four young women abroad in Paris, a game of Truth or Dare turns life-and-death.**

“I had a secret: I wanted to leave the earth in a spectacular fashion. Specifically, by leaping from the Eiffel Tower.” So begins this provocative coming-of-age novel about a teenage girl bent on self-destruction and revenge, set in the City of Light.

It's the summer of 1999, the end of a millennium. In the mind of Nessa Baxter, a girl from rural Illinois, Paris is the remedy for all of her woes. The death of her beloved brother and the betrayal by her classmate Kat has left Nessa bereft and doubtful about her future. She plans to exact revenge on Kat during their renegade French Club trip. Along with classmates Whitney and Kiran, the four girls embark on a series of misadventures in Paris. As part of her plan, Nessa starts a game of Truth or Dare that spirals out of control.

A suspenseful psychological drama, *Midair* is the story of a young girl's descent into darkness and the secrets we keep, even from ourselves.

## Editorial Review

### Review

“In this gripping novel of both suspense and regret, revenge and sorrow, the dark hearts of teenage girls search for weakness but find more than they bargained for. *Midair* is the story of best laid plans and all the ways in which we misunderstand each other, sometimes to catastrophic effect.” —**Rebecca Scherm, author of *Unbecoming***

“*Midair* is a thrilling examination of the thorny complexities of friendship, secrecy, and the ways in which new locales—in this case Paris—can awaken us to the hidden truths of the self. Incisive and suspenseful, *Midair* is a testament to Kodi Scheer’s wise and remarkable and rapidly expanding talent.” —**Laura van den Berg, author of *Find Me***

“Kodi Scheer has written a novel of ecstatic heights and the darkest of depths—the kinds that only the ordinary/extraordinary drama of a teenage girl’s life could reach. The narrator’s voice is as recognizable as a friend’s, but this friend has wandered far from where we knew her, and we now follow breathlessly, willingly, completely enthralled and in fear for our lives. This is a coming-of-age story as believable and savvy and intelligent as any you will read, and also a psychological thriller of true extremes; the events are as riveting as any tabloid tale’s, while frighteningly familiar, too. This is a novel you’ll want to read, and then tell everyone else to read, too.” —**Laura Kasischke, author of *Mind of Winter***

“A chilling revenge-suicide is plotted by eighteen-year-old Nessa, who’s lost her shot at a good college thanks to her classmate turned nemesis, Kat (all the while grieving the death of her brother). But it’s nothing a game of Truth or Dare can’t fix.” —**Marie Claire**

“Nessa’s high school trip to Paris starts out as a shenanigan-filled getaway. But factor in shadowy secrets and hidden agendas, and pretty soon, she’s got a giant merde-storm on her hands.” —***Cosmopolitan***

“*Midair* is a wonderful, quick read that thoroughly shocks readers with an unexpected ending.” —***New York Daily News***

“Anyone appreciative of dark stories will fly through *Midair*.” —***Huffington Post***
