How to Kill an Incubus: A Rae Erickson Story (Sexy Paranormal Romance)

By Kimber Lee

Fans of sexy romantic comedies with a dash of supernatural are comparing this book to *The Charley Davidson Series* by Darynda Jones and *Anita Blake, Vampire Hunter* by Laurell K. Hamilton!

*“Rainelle, you were eye-f***ing me in the casino.”*

Rainelle Erickson is a gorgeous and sassy Private Investigator, with a peculiar ability. Being the daughter of a demon hunter, she can sense creatures of the night — supernatural beings on the prowl for fresh meat and sex. Living dangerously is her thing and raking out big checks by spying on cheating husbands and exposing them in public fuels her lifestyle. Needless to say, she already has her hands full. Then she bumps into Andrei and the risks just went through the roof.

Andrei Angelescu is as sinfully irresistible as any incubi can be, and he is not just any incubi - he is their king. The whole dark realm is subject to his every whim, and he enjoys the hell out of it.

A chance encounter at a casino sparks a forbidden liaison between the two. However, she is still her father's daughter, and having an affair with the demon king is not something her father would have approved of. Yet, with just one glance from Andrei's piercing cerulean eyes, she finds herself being plunged into unknown territories. The scariest thing is that she doesn't seem to care that much on whether she will sink or swim.

Will she fight her unholy — but oh-so-delicious — attraction to the dark lord? Or will she ignore the warnings of her demon hunter blood and give in to the indescribable enticing pleasures he brings her?

The book 'How to Kill an Incubus' is an amazing book. I truly love the story line behind it all. The book is purely amazing and I cannot wait to see how much further the author, Kimber Lee can take it with her other works too.

This is one of the absolute best books I have ever read as a young adult. It drags you in, and even though it's completely hot, the story line still makes you feel all kind of ways. Can't wait to read this again!

I've read this book on wattpad, and for me it was love at first sight! The main characters have great personality and the story is definitely not your average demon romance story! And let me just tell you, if you like sexy bad boy alpha males, Andrei will show they got nothing compared to him. So for me, this is the best demon paranormal romance I've ever read. Sorry about my english, it's not my first language. In addition to that, the author is an amazing person, I've never met her, but has great sense of humor, and is very down to earth. So yeah, what are you waiting for?! Go buy the book! - Mathilde Barroso
