Tales of the Honey Badger By Nick Cummins

'Cummins has a cult hero notoriety not seen with any other Australian sport star in the last 25 years' - Fox Sports He's put pen to paper and has been busier than a one-armed bricklayer in Baghdad - Nick Cummins is writing his opus, his tome - his first book. Packed with Nick's sensational sayings, ripper yarns and pure Aussie wisdom, TALES OF THE HONEY BADGER is a charming collection of short stories celebrating the importance of family, mates, rugby and getting out amongst it (i.e. seeing the world). Australian rugby union star Nick Cummins has become an Aussie sporting cult hero known the world over. Affectionately nicknamed 'the Honey Badger', Cummins' super strength, fearless approach and wholehearted never give-up attitude on the field has seen him regarded as one of the best wingers in the game today. Off the field, Nick's post-match television interviews with his colourful turn of phrase and now famous one-liners have become the stuff of legend. Oh, and never corner a Honey Badger.

Editorial Review

About the Author

Every so often a sports star comes along whose popularity transcends tribal allegiances in a way that even fiercely partisan fans of rival teams cannot help but admire. At 26, Cummins has become one of the most-loved characters in the sporting world. Nicknamed after the fearless underdog of the animal kingdom, he has single-handedly transformed the talking-head interview into his own unique art form.

Users Review

From reader reviews:

Ana Worcester:

What do you consider book? It is just for students as they are still students or it for all people in the world, what best subject for that? Only you can be answered for that concern above. Every person has various personality and hobby per other. Don't to be pressured someone or something that they don't would like do that. You must know how great as well as important the book Tales of the Honey Badger. All type of book can you see on many resources. You can look for the internet resources or other social media.

Viola Boucher:

People live in this new time of lifestyle always aim to and must have the spare time or they will get wide range of stress from both everyday life and work. So , when we ask do people have time, we will say absolutely sure. People is human not a robot. Then we request again, what kind of activity are you experiencing when the spare time coming to anyone of course your answer may unlimited right. Then do you ever try this one, reading books. It can be your alternative throughout spending your spare time, often the book you have read will be Tales of the Honey Badger.

Anita Rhodes:

Reading a book for being new life style in this yr; every people loves to examine a book. When you read a book you can get a great deal of benefit. When you read textbooks, you can improve your knowledge, simply because book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. If you need to get information about your research, you can read education books, but if you act like you want to entertain yourself look for a fiction books, this sort of us novel, comics, as well as soon. The Tales of the Honey Badger will give you new experience in examining a book.

Jeremy Quick:

What is your hobby? Have you heard this question when you got scholars? We believe that that question was given by teacher on their students. Many kinds of hobby, All people has different hobby. And you also know

that little person such as reading or as reading become their hobby. You need to know that reading is very important along with book as to be the point. Book is important thing to add you knowledge, except your own personal teacher or lecturer. You discover good news or update about something by book. Amount types of books that can you take to be your object. One of them are these claims Tales of the Honey Badger.
