She's So Dead to Us (The He's So/She's So Trilogy Book 1) By Kieran Scott

Ally Ryan would rather be in Maryland. She would rather be anywhere, in fact, than Orchard Hill, site of her downfall. Well, not hers exactly—but when your father’s hedge fund goes south and all your friends lose their trust funds, things don’t look so sunny for you. Her mother moved her to Maryland to flee the shame, but now they’re moving back. Back to the country-club, new-car-every-year, my-family-came-over-on-the-Mayflower lifestyle that Ally has outgrown. One bright spot, however, is gorgeous, intense Jake Graydon. But it won’t be easy for the two of them to be together—not if his friends (her former friends) have anything to say about it. Is Ally ready to get thrown back into the drama of the life she left behind?

Editorial Review

From School Library Journal

Grade 9 Up—Mean-girl socialites are an overworked plot device, but this book deftly explores peer pressure, grudges, and decency. Ally shares the narrative with Jake, the desirable boy who moves into her old luxury home. She and her parents left ritzy Orchard Hill when an investment that her beloved father made turned sour. Unfortunately, he also lost money for other families in their tight clique. Soon afterward, he disappeared from Ally's life. Now she and her mom have moved back to their old neighborhood, but into a cheap condo, and find they are personae non grata to those they loved and trusted. Jake, who's been accepted by the "Cresties," falls for Ally, prompting pranks from his jealous "best friend," Shannen. Ally, who's made friends with other "Norms," is thrust back into hostile territory by their relationship. To complicate matters, she feels guilty about making out with her former friend's steady. Chloe doesn't know and has stayed neutral. Shannen, however, is ready to bare all secrets, including something devastating to Ally. The story ends with Ally's father appearing on her doorstep, so there is sure to be a sequel.—*Tina Zubak, Carnegie Library of Pittsburgh, PA*

From [Booklist](#)

Scott (*I Was a Non-Blonde Cheerleader*, 2005) once again tackles the painful subject of cliques. Sixteen-year-old basketball star Ally Ryan and her parents fled their exclusive community 18 months ago after Mr. Ryan's bad business deals annihilated their personal fortune. Now, Mrs. Ryan's gotten a teaching job at Ally's former high school, so she and Ally return (minus Mr. Ryan, who deserted the family) to Orchard Hill. Ally can't resist checking out their old mansion, and she finds handsome soccer star Jake has moved into her bedroom and the exclusive clique she'd grown up with. In alternating chapters, narrators Ally and Jake confess their powerhouse attraction to one another, while Ally's former and Jake's current crew plans and carries out cruel jokes to humiliate Ally and her mother. Plenty of nongratiuitous profanity peppers the realistic dialogue, and subtlety is in short supply. However, Scott knows how to set a hook, and the fast pace will pull readers in for an entertaining (if didactic) read. The surprising, unresolved ending points to a sequel. Grades 8-12. --Debbie Carton

About the Author

Kieran Scott is the author of the True Love series, including *Only Everything*, *Complete Everything*, and *Something True*; and the Non-Blonde Cheerleader series along with the He's So/She's So trilogy: *She's So Dead to Us*, *He's So Not Worth It*, and *This is So Not Happening*.
