Understanding Tourism: A Critical Introduction By Kevin Hannam, Dan Knox

Understanding Tourism introduces tourism students to concepts drawn from critical theory, cultural studies and the social sciences. It does so with a light and readable touch, highlighting the ideas that underlie contemporary critical tourism studies in a practical and engaging way.

Specifically, the authors examine how post-structuralist thought has led to a re-imagining of power relationships and the ways in which they are central to the production and consumption of tourism experiences.

Eleven clear, relevant chapters provide an accessible introduction to tourism defining, explaining and developing the key issues and methods in this exciting field.

Editorial Review

Review

An insightful and original approach to different aspects of tourism...The book is admirable for the interesting, vivid and shrewd style of writing which makes it really enjoyable for reading. Fun and humour are deliberately and successfully interwoven into the elevated academic analysis, thus making this text equally valuable for professionals, academics, students and anyone else who is passionate about tourism

European Journal of Tourism Research

At last! A refreshingly lucid text for students that substantially enriches the analysis of tourism and tourists. Hannam and Knox explore the recent theoretical insights that have helped tourist studies to escape from a self-imposed academic ghetto and have multiplied approaches to making sense of tourism. Clear, concise and stimulating

Tim Edensor

Manchester Metropolitan University

With this book Hannam and Knox have gone a long way towards elevating the study of tourism from the obscure margins of social science into a bona fide research area. They encourage us to think critically about the subject and successfully interweave dominant contemporary concepts to present tourism as a social, cultural, economic, and spatial phenomenon. Students will be sure to enjoy this innovative contribution which takes a 'user-friendly' approach and provides a useful pedagogic tool for those at all levels of study

Dimitri Ioannides

Professor of Human Geography; Mid-Sweden University and ETOUR

Understanding Tourism provides an in-depth and critical analysis of tourism studies that is conceptually rich, empirically strong and extremely accessible to scholars and students of tourism. It is a refreshing analysis of an extremely complex and multidimensional global phenomenon, and raises our understanding of tourism to new heights

Dallen Timothy

Professor of Tourism Development and Management, Arizona State University

A very interesting mobilities view of tourism with useful student-friendly text and exercises

John Urry

This is a useful and accessible introduction to critical approaches to tourism that will be a value for lecturers and students alike. The provision of many thought-provoking exercises will be of benefit for both teaching and learning

Greg Richards

Annals of Tourism Research

About the Author

Users Review

From reader reviews:

Marcy Ontiveros:

Here thing why that Understanding Tourism: A Critical Introduction are different and reputable to be yours. First of all reading a book is good nonetheless it depends in the content of computer which is the content is as yummy as food or not. Understanding Tourism: A Critical Introduction giving you information deeper as different ways, you can find any publication out there but there is no publication that similar with Understanding Tourism: A Critical Introduction. It gives you thrill reading journey, its open up your own personal eyes about the thing that will happened in the world which is might be can be happened around you. It is easy to bring everywhere like in park your car, café, or even in your way home by train. If you are having difficulties in bringing the paper book maybe the form of Understanding Tourism: A Critical Introduction in e-book can be your choice.

Jeffery Whitley:

Spent a free time to be fun activity to do! A lot of people spent their leisure time with their family, or their very own friends. Usually they doing activity like watching television, going to beach, or picnic in the park. They actually doing same thing every week. Do you feel it? Do you need to something different to fill your personal free time/ holiday? Could be reading a book is usually option to fill your cost-free time/ holiday. The first thing you ask may be what kinds of publication that you should read. If you want to try out look for book, may be the publication untitled Understanding Tourism: A Critical Introduction can be very good book to read. May be it may be best activity to you.

Angela Hurd:

Playing with family in a very park, coming to see the water world or hanging out with close friends is thing that usually you might have done when you have spare time, after that why you don't try issue that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love Understanding Tourism: A Critical Introduction, it is possible to enjoy both. It is excellent combination right, you still wish to miss it? What kind of hang type is it? Oh occur its mind hangout fellas. What? Still don't buy it, oh come on its called reading friends.

Oliver Whitley:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book was rare? Why so many query for the book? But any kind of people feel that they enjoy intended for reading. Some people likes examining, not only science book but also novel and Understanding Tourism: A Critical Introduction or others sources were given knowledge for you. After you know how the good a book, you feel need to read more and more. Science e-book was created for teacher or even students especially. Those books are helping them to include their knowledge. In different case, beside science book, any other book likes Understanding Tourism: A Critical Introduction to make your spare time a lot more colorful. Many types of book like this one.
