The Little Black Book of Success: Laws of Leadership for Black Women By Elaine Meryl Brown, Marsha Haygood, Rhonda Joy McLean

In this engaging and invaluable “mentor in your pocket,” three dynamic and successful black female executives share their strategies to help all black women, at any level of their careers, play the power game—and win.

Rich with wisdom, this practical gem focuses on the building blocks of true leadership—self-confidence, effective communication, collaboration, and courage—while dealing specifically with stereotypes (avoid the Mammy Trap, and don’t become the Angry Black Woman) and the perils of self-victimization (don’t assume that every challenge occurs because you are black or female).

Some leaders are born, but most leaders are made—and **The Little Black Book of Success** will show you how to make it to the top, one step at a time.

Editorial Review

From Publishers Weekly

The authors, all high-level black executives, seek to "support women who do not always have access to coaches, mentors, or the 'Old Boys' Network," and their professional advice is savvy and sensitive to the challenges women of color face in the workplace. They offer self-affirming advice to rev up a career, complete with "MAMAisms"-what the authors describe as aphorisms and "familiar terms, both practical and spiritual, that we grew up with and can draw upon as we travel the road to leadership success." The authors revisit and refresh familiar tips on staying positive, honing skill sets, having a plan of action and following through, networking, and avoiding common workplace dilemmas. They also provide valuable advice on achieving work/life balance and finding guidance, mentorship, and support. Offering sound advice, practical tools, and warm wisdom, this book will help black professional women get and stay on track and maximize their abilities.
