Policing: Continuity and Change, Second Edition By Geoffrey P. Alpert, Roger G. Dunham, Meghan S. Stroshine

The second edition of *Policing: Continuity and Change* effectively combines theory, research, policy, and practical experience. Strategies for policing in the United States have evolved rapidly in the last four decades. This concise introduction provides the necessary background to understand the challenges of policing, the innovations in the field, and the reforms shaping the profession. Discussions of recruitment, socialization, and organization delineate who the police are, what they do, and how the police culture affects officers.

The authors highlight the proactive skills necessary for solving problems and for productive interactions with community members. They emphasize the need for policies and training regarding use of force. This vital, up-to-date overview explores the implications for policing as departments employ new technologies and respond to demands for accountability.

Not-for-sale instructor resource material available to college and university faculty only; contact publisher directly.

Title of related interest also from Waveland Press: Dunham-Alpert, *Critical Issues in Policing: Contemporary Readings*, Seventh Edition (ISBN 9781478622871).

Editorial Review

Review

"Love the book! Easy to read and great for my first-year students." --Paul Guidry, Baton Rouge Community College

Users Review

From reader reviews:

Joanne Starks:

What do you concentrate on book? It is just for students as they are still students or it for all people in the world, what best subject for that? Simply you can be answered for that issue above. Every person has distinct personality and hobby for each other. Don't be pushed someone or something that they don't need do that. You must know how great and important the book Policing: Continuity and Change, Second Edition. All type of book are you able to see on many sources. You can look for the internet sources or other social media.

Angela Latham:

This book untitled Policing: Continuity and Change, Second Edition to be one of several books that best seller in this year, that is because when you read this reserve you can get a lot of benefit upon it. You will easily to buy this specific book in the book retail store or you can order it by means of online. The publisher of this book sells the e-book too. It makes you more easily to read this book, since you can read this book in your Touch screen phone. So there is no reason to you personally to past this e-book from your list.

Jamie Wallace:

Playing with family in a park, coming to see the sea world or hanging out with close friends is thing that usually you could have done when you have spare time, after that why you don't try point that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Policing: Continuity and Change, Second Edition, you could enjoy both. It is very good combination right, you still wish to miss it? What kind of hang type is it? Oh can occur its mind hangout fellas. What? Still don't get it, oh come on its known as reading friends.

Bernard Taylor:

This Policing: Continuity and Change, Second Edition is brand-new way for you who has curiosity to look for some information because it relief your hunger of information. Getting deeper you upon it getting

knowledge more you know otherwise you who still having tiny amount of digest in reading this Policing: Continuity and Change, Second Edition can be the light food for you because the information inside this particular book is easy to get by means of anyone. These books produce itself in the form that is reachable by anyone, that's why I mean in the e-book application form. People who think that in reserve form make them feel drowsy even dizzy this book is the answer. So there isn't any in reading a publication especially this one. You can find actually looking for. It should be here for a person. So , don't miss the idea! Just read this e-book type for your better life in addition to knowledge.
