Editorial Review

From Publishers Weekly

Scary, sexy and at times stomach-turning, Sutcliffe's newest romantic suspense novel (after *Darkling I Listen*) has all the ingredients her fans have come to crave. There's a serial killer on the loose in New Orleans who was supposedly executed years earlier. Attorney J.D. Damascus has always believed the NOPD put away the wrong guy, and now that more hookers are turning up dead, he's sure of it. But his drunken meltdown following the murders of his wife and children has left him with few friends on the force. Once a hotshot assistant district attorney, J.D. now handles cases for prostitutes and junkies who can rarely pay for his services. When Holly Jones calls him after finding his name on the jailhouse wall, he figures she's just another hard-luck case, but he finds himself drawn to her in spite of himself. Holly's in town looking for her friend Melissa, a hooker who may be the killer's latest victim. As J.D. and Holly draw closer to uncovering the truth, they find in each other the possibility for healing. Readers will race through this briskly paced book and relish its many twists and turns. The romantic tension between Sutcliffe's protagonists feels forced at times, and their sex scenes, while steamy, are abrupt. Overall, however, this is a solidly plotted, absorbing read.

Review

A marvelous talent and a treasure of the genre. -- *Laura Kinsale*

From [AudioFile](#)

J.D. Damascus finds little to make himself get up in the morning, other than the burning desire for revenge that has kept him alive--albeit barely functioning--for the past four years. The official story of the murder of his wife and kids is that they fell victim to a serial killer who has not been executed. But when murders with the same signature begin again, he is awoken from his stupor and drawn into events. Bernadette Dunne presents a range of characterizations. From the anguish of J.D. to the condescension of his brother and the affectionate bullying of his secretary, she draws out the relationships between the characters and captures their personalities.
