Publisher: British Library, Historical Print Editions

The British Library is the national library of the United Kingdom. It is one of the world's largest research libraries holding over 150 million items in all known languages and formats: books, journals, newspapers, sound recordings, patents, maps, stamps, prints and much more. Its collections include around 14 million books, along with substantial additional collections of manuscripts and historical items dating back as far as 300 BC.

The HISTORY OF THE ANCIENT WORLD collection includes books from the British Library digitised by Microsoft. Titles in this series include lectures, compiled sketches, and chronological discourses on Greece, Rome, and other early European and African civilisations. The collection also has a selection of physical and classical geography texts.
