Editorial Review

Review

This is the translation I have been waiting for so long. Finally it's there. Praise the Lord. --M Noelette Magdeleine

This bible is awesome!!! After reading 13 different versions, I have finally found one that is powerful and provides tremendous refelation! --Doug

Every chapter and verse of this translation is full of delightful surprises! We have Rev. Morford to thank for his dedication to the preservation of the original meanings of Hebrew and Greek words, and to presenting us with the original emotional tones and expressions that were intended to accompany the text. You will not find another translation that so powerfully reveals the "decisive and authoritative" aspect of our creator AND His "tender and relational" characteristics as well. If you have been reading Latin based translations, you must read the ONE NEW Man Bible . Be prepared for a fresh encounter with a very powerful, very loving creator. You must read this Bible! --Mandy Grubbs
