The Entitlement Cure: Finding Success in Doing Hard Things the Right Way By John Townsend

Today we live in a culture that says, “Life should be easy and work well.” This attitude, called entitlement, influences our most important institutions: family, business, church, and government. Its devastating effects contribute to relational problems, work ethic issues, and emotional struggles.

It comes down to this: People are not getting to where they want to go, because they don’t know how to do life the hard way. Entitlement keeps them from tackling challenges and finding success.

But whether readers are struggling with their own sense of entitlement or dealing with someone who acts entitled, *The Entitlement Cure* will equip them to turn away from a life of mediocrity to a life of engagement, satisfaction, and joy.

Drawing from his experience as a counselor and leadership consultant, renowned psychologist and *New York Times* bestselling author Dr. John Townsend explores strategies for fighting entitlement, such as:

- Take a meaningful risk every week
- Find ways to minimize regret
- Grasp the value of keeping inconvenient commitments
- Understand why saying “I don’t know” is the first step toward success.

In a culture that encourages shortcuts and irresponsibility, *The Entitlement Cure* provides principles and skills to help you both navigate life with those around you who have an entitlement mindset and identify areas in your own life where you are stuck in “easy way” living. Dr. Townsend will show you how to become successful, resolve obstacles in life, and help those around you.

Ultimately, *The Entitlement Cure* provides practical tools for a life of success that works for anyone.

Editorial Review

Review

The growing entitlement mentality in this country is completely toxic, slowly eating away at our spirits like acid. I've said for years that if you want to win, you've got to take responsibility. You've got to leave the cave, kill something, and then you can drag it home! Personal responsibility may be the hard way, but it's the only way. (*Dave Ramsey, New York Times bestselling author and nationally syndicated radio show host*)

The Entitlement Cure is a powerful book that gives people a true roadmap to success. If you want a better life, starting right now, buy this book. (*Daniel G. Amen, MD, founder, Amen Clinics, author of Change Your Brain, Change Your Life*)

Dr. John Townsend has written a helpful and encouraging book to help us deal with the issue of entitlement, whether we see it in others or in ourselves. Overcoming this mindset isn't easy. It requires discipline, honesty, and responsibility. That's the hard way, but it's the only way worth taking. (*Jim Daly, President ? Focus on the Family*)

There are so many real-life examples based on John's experience and expertise that reinforce why the hard way is the best way and God's intended way for our success. This is more than a book to read, it's an engaging conversation with a "friendly" expert. (*Gary Daichendt, former executive vice president, Cisco Systems*)

Buying and reading The Entitlement Cure should be one of the easiest decisions you ever make. Why? Because we all need John Townsend's life-giving message. Don't miss out on this compelling and immensely practical book. You will love The Entitlement Cure! (*Drs. Les and Leslie Parrott, authors of*)

There are no shortcuts to anywhere worth getting to. The Entitlement Cure is full of wisdom, truth, empowerment, and principles that will help you and those around you actually achieve success. I've been waiting for this book and could not put it down. It is a new word for our generation. (*Christine Caine, founder, The A21 Campaign*)

There is no such thing as "the easy button," but my friend John Townsend delivers real remedies to today's entitlement mentality. The Entitlement Cure is a game changer. (*Dr. Kevin Leman, New York Times bestselling author of The Birth Order Book and The Way of the Shepherd*)

Dr. John Townsend is one of the leading psychologists in the world today, and his new book, The Entitlement Cure, will help hundreds of thousands of readers. He describes the hard way as developing the habit of doing what is best, rather than what is most comfortable, to accomplish worthwhile outcomes. In reality, the hard way actually becomes the easiest way to achieve success and love. I highly endorse this book. (*Paul Meier, MD, founder of the national chain of Meier Clinics*)

The only place where "success" comes before "work" is in the dictionary. Cutting corners is a shortcut to losing --- there is no free lunch. John has hit on one of the most pressing problems facing families, businesses, and society. We have a rising culture of entitlement. The Entitlement Cure is a straightforward illustration and guide to curing this epidemic. (*C. Kemmons Wilson Jr., founding family of Holiday Inns*)

Dr. John Townsend has addressed a devastating result of the disappearance of personal responsibility in our culture--- entitlement. He provides the necessary tools to identify it and a system to deal with it. The Entitlement Cure is a useful addition to everyone's toolbox. (*Bill Yingling, former chairman and CEO, Thrifty Corp*)

John has again demonstrated a clear understanding of the reality we all face of feeling entitled about something. With his explanation of the hard way in his new book, The Entitlement Cure, we learn of a path forward, always learning to be vulnerable, affirming others appropriately, taking risks, and knowing the "why" whenever we do something. (*Greg Campbell, former executive VP/Partner Coldwell Banker Corporation*)

About the Author

Dr. John Townsend is a leadership consultant, psychologist, and New York Times bestselling author. He has written twenty-seven books, selling 10 million copies, including the 3 million-selling Boundaries series. John is founder of the Townsend Institute for Leadership and Counseling and conducts the Townsend Leadership program. He travels extensively for corporate consulting, speaking, and working with leadership families. He and his wife Barbi have two sons, and live in Newport Beach, California. One of John's favorite hobbies is playing in a band that performs in Southern California lounges and venues.

Users Review

From reader reviews:

Lorraine Stark:

Throughout other case, little persons like to read book The Entitlement Cure: Finding Success in Doing Hard Things the Right Way. You can choose the best book if you'd prefer reading a book. Given that we know about how is important some sort of book The Entitlement Cure: Finding Success in Doing Hard Things the Right Way. You can add knowledge and of course you can around the world by way of a book. Absolutely right, due to the fact from book you can understand everything! From your country until eventually foreign or abroad you will end up known. About simple issue until wonderful thing it is possible to know that. In this era, you can open a book or even searching by internet product. It is called e-book. You need to use it when you feel fed up to go to the library. Let's read.

Jose Brown:

Book is usually written, printed, or created for everything. You can understand everything you want by a e-book. Book has a different type. To be sure that book is important point to bring us around the world. Beside that you can your reading ability was fluently. A e-book The Entitlement Cure: Finding Success in Doing Hard Things the Right Way will make you to become smarter. You can feel more confidence if you can know about anything. But some of you think which open or reading any book make you bored. It is far from make you fun. Why they may be thought like that? Have you in search of best book or appropriate book with you?

Herbert Knight:

Information is provisions for anyone to get better life, information today can get by anyone on everywhere. The information can be a understanding or any news even a concern. What people must be consider if those information which is from the former life are challenging be find than now could be taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you get the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen in you if you take The Entitlement Cure: Finding Success in Doing Hard Things the Right Way as the daily resource information.

Tara Winston:

Reading a guide tends to be new life style with this era globalization. With looking at you can get a lot of information that may give you benefit in your life. Having book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Many author can inspire their particular reader with their story or perhaps their experience. Not only the storyplot that share in the guides. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors in this world always try to improve their proficiency in writing, they also doing some investigation before they write to their book. One of them is this The Entitlement Cure: Finding Success in Doing Hard Things the Right Way.
