Wisdom From The Torah Book 4: Numbers: With Related Portions From The Prophets and New Testament (Volume 4) By Rob Skiba

This Bible study guide is presented as an extension to Rob and Sheila Skiba's Virtual House Church. It is designed to show you how the themes, stories, and words of the Torah (the five books of Moses) are woven throughout the writings of the prophets and New Testament. There is much wisdom to be gained from the Torah. The word is often translated as "law" but really, it represents the instructions of our loving Father to His children. This book has an Introduction written by Rob Skiba, but the rest of it consists of just Scripture (with no commentary), carefully arranged for weekly Bible Study including the traditional weekly Torah portion, along with a selection of Scriptures from the Prophets and the New Testament as well as ample room for note-taking and 3 starter questions for people who desire to start and/or continue home Bible Study groups and the end of each study. We pray this study draws you into a closer, more intimate relationship with Him. We also welcome you to join us for additional study and commentary at our Virtual House Church.
