Something Wicked This Way Comes . . .

As a thief, I stick to the shadows as much as possible. But when the head of the Sinclair Family picks me to compete in the Tournament of Blades, there's no escaping the spotlight--or the danger.

Even though he's my competition, Devon Sinclair thinks I have the best shot at winning what's supposed to be a friendly contest. But when the competitors start having mysterious "accidents," it looks like someone will do anything to win--no matter who they hurt.

As if I didn't have enough to worry about, mobster Victor Draconi is plotting against Devon and the rest of my friends, and someone's going around Cloudburst Falls murdering monsters. One thing's for sure. Sometimes, humans can be more monstrous than anything else...
