Fire Me Up (The Deacons of Bourbon Street) By Rachael Johns

**Can a scorching affair with a bohemian beauty tame a motorcycle man with a dark side? Rachael Johns takes the wheel in the sexy series co-written with Megan Crane, Jackie Ashenden, and Maisie Yates.**

Travis “Cash” Sinclair values only two things from his days with the Deacons of Bourbon Street: his prized Harley Davidson and the man who gave it to him. But now Priest Lombard is gone, and Cash has inherited the Deacons’ clubhouse—not to mention its unexpected tenant. She’s exactly the type of woman he tries to avoid: all incense and art, with a sharp tongue that promises trouble. So why does Cash want to push aside those flowing skirts and lose himself between her legs?

Billie Taylor fled a bad marriage to start a new life among the grit and glamour of the French Quarter. She refuses to let another man distract her from her dreams, especially an outlaw biker with nothing to offer except hot sex and an eviction notice. Cash is dangerous, with an untamed streak he tries desperately to conceal. He drives Billie wild, sending her too close to the edge for her own good. And she won’t fall under his spell—or into his bed—without a fight.

“What happens when a hot biker with abandonment and commitment issues meets a hippie who challenges him in every way but dislikes everything he stands for? Well, a lot of heat, for one. . . . I enjoyed reading *Fire Me Up* and I’m very interested in the rest of the brothers and the conclusion to the murder mystery.”—**The Sassy Bookster**
