Heavenfall By TG Franklin

Action packed Urban Fantasy/Sci-Fi 2027 – Earth is in the path of a raging cosmic storm, and most people believe Hadrian’s energy web will protect the planet from the destruction of the wave. Mary Sullivan doesn't believe Hadrian is the touted savior everyone thinks he is. In her gut, she knows Hadrian is responsible for the death of her parents, and she knows with a certainty he's responsible for the side effects of the energy web. Side effects she's suffering from, and dead is dead, whether it's from the Wave or a brain blast. With the Wave only days away, she's offered a chance to survive, but will she risk the Earth for the revenge she seeks?

Editorial Review

About the Author

TG Franklin writes a blend of sci-fi and urban fantasy. When she's not writing, she's painting, watching football, or enjoying the beautiful Smoky Mountains on the back of her motorcycle.

Users Review

From reader reviews:

Bennett Fox:

Do you have favorite book? For those who have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each reserve has different aim or perhaps goal; it means that publication has different type. Some people sense enjoy to spend their time to read a book. They are really reading whatever they get because their hobby is usually reading a book. Consider the person who don't like reading a book? Sometime, individual feel need book whenever they found difficult problem or perhaps exercise. Well, probably you will require this Heavenfall.

Ethel Springer:

What do you think about book? It is just for students since they are still students or the item for all people in the world, the particular best subject for that? Just simply you can be answered for that question above. Every person has distinct personality and hobby for each other. Don't to be compelled someone or something that they don't want do that. You must know how great as well as important the book Heavenfall. All type of book are you able to see on many solutions. You can look for the internet options or other social media.

Allison Lyon:

Reading a reserve can be one of a lot of action that everyone in the world enjoys. Do you like reading book thus. There are a lot of reasons why people enjoy it. First reading a book will give you a lot of new information. When you read a publication you will get new information simply because book is one of various ways to share the information or their idea. Second, reading through a book will make you more imaginative. When you studying a book especially fiction book the author will bring you to imagine the story how the character types do it anything. Third, you can share your knowledge to others. When you read this Heavenfall, you could tells your family, friends as well as soon about yours e-book. Your knowledge can inspire different ones, make them reading a reserve.
