Strategy in the 21st Century By Randall Rollinson and Earl Young

Strategy in the 21st Century fills an important gap for managers as they struggle to implement strategy within their organizations. Strategy discussion is relatively easy; strategy planning is harder. This text goes even further in helping managers navigate the very difficult phases of strategy implementation and evaluation. The authors' deep experience in developing strategic management tools and processes provides readers with a structured methodology by which to understand and work through strategy execution throughout their organizations. It was a great read. I look forward to recommending it to colleagues, students and business associates. Peter Goldsmith, PHD Associate Professor of Agribusiness Management Department of Agriculture and Consumer Economics University of Illinois Rollinson and Young capture and outline the tools and techniques necessary to develop and implement a powerful and pragmatic strategic plan-from initial analysis through implementation management. It is clear, concise and comprehensive. The introduction and overview alone are invaluable as a digest of the best strategic management tools and thinking of the past fifty years. Coupling that introduction with a step-by-step approach to applying those tools in a real-world planning and strategic management process makes this book a must-have for executives' and strategy professionals' bookshelves. John Sterling President, Strategic Management Association Partner, Smock Sterling Strategic Management Consultants If you are in a leadership position, a CEO, a manager or a strategy professional looking for a practical approach to strategy development and deployment and how to manage once you do...read this book. The lessons and tools it delivers can be applied in any sector of engagement, be it private or public. It hits the nail on the head! Timothy J. Trotter President, Association for Strategic Planning Manager of Strategic Planning, DuPage County, Illinois

From reader reviews:

Ashley Taylor:

Why don't make it to become your habit? Right now, try to ready your time to do the important work, like looking for your favorite publication and reading a book. Beside you can solve your trouble; you can add your knowledge by the book entitled Strategy in the 21st Century. Try to face the book Strategy in the 21st Century as your buddy. It means that it can to become your friend when you sense alone and beside associated with course make you smarter than ever before. Yeah, it is very fortunated for you personally. The book makes you much more confidence because you can know anything by the book. So , let me make new experience and knowledge with this book.

Deborah Hagan:

What do you concentrate on book? It is just for students as they are still students or it for all people in the world, the actual best subject for that? Merely you can be answered for that query above. Every person has different personality and hobby for every single other. Don't to be pushed someone or something that they don't want do that. You must know how great along with important the book Strategy in the 21st Century. All type of book could you see on many resources. You can look for the internet sources or other social media.

Jennifer Klein:

Here thing why this particular Strategy in the 21st Century are different and reputable to be yours. First of all reading through a book is good but it depends in the content of it which is the content is as scrumptious as food or not. Strategy in the 21st Century giving you information deeper as different ways, you can find any book out there but there is no book that similar with Strategy in the 21st Century. It gives you thrill reading through journey, its open up your own personal eyes about the thing that will happened in the world which is possibly can be happened around you. You can actually bring everywhere like in playground, café, or even in your approach home by train. For anyone who is having difficulties in bringing the paper book maybe the form of Strategy in the 21st Century in e-book can be your option.

Joseph Lee:

As a university student exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's heart or real their interest. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring in addition

to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Strategy in the 21st Century can make you sense more interested to read.
