This package includes the Enhanced Pearson eText and the bound book.

Literacy for the 21st Century: A Balanced Approach is a thoroughly applied text written to ensure that readers understand the current theories behind and the critical components of instruction for teaching reading and writing as complementary in the development of literacy. Readers are treated to a philosophical approach that not only balances the why, what, and how of teaching literacy but also offers practical pedagogy—teaching strategies and instructional procedures—that foster thoughtful teacher preparation and ensures alignment to the literacy goals teachers are responsible to teach. New text features model practices that support diverse populations, instruction driven by sound classroom assessment, and new literacy strategies that will help teachers transform literacy learning with digital devices. Integrating the best of what we know about teaching reading and writing, the Sixth Edition of this popular introductory text provides the balance teachers need to be successful in the classroom. The Enhanced Pearson eText features embedded video.

Improve mastery and retention with the Enhanced Pearson eText*

The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is:

Editorial Review

Review

"Our university has been using *Literacy for the 21st Century* since 2001. Students purchase this text during their sophomore year. When they return to our university after graduation to earn a master's degree and reading specialist certification, most still have their copies of *Literacy for the 21st Century* and they report that they use it often in their classroom teaching." - **Helen Hoffner, Ed.D., Holy Family University**

"...an excellent resource to use for reviewing language arts content as well as introducing pedagogy. It is easily accessible to students and contains current, relevant information that is well supported by theory and research in the field." - **Angela Madden, Eastern Kentucky University**

About the Author

Gail E. Tompkins is Professor Emerita at California State University, Fresno. Currently, she works with teachers in their kindergarten through eighth-grade classrooms and leads staff-development programs on reading and writing. Dr. Tompkins was inducted into the California Reading Association's Reading Hall of Fame in recognition of her accomplishments in the field of reading, and she's received the prestigious Provost's award for Excellence in Teaching at California State University, Fresno. Dr. Tompkins is the author of six other books published by Pearson: *Language Arts: Patterns of Practice*, *Language Arts Essentials*, *Teaching Writing: Balancing Process and Product*, *50 Literacy Strategies*, and two grade-specific versions of this text: *Literacy in the Early Grades: A Successful Start for PreK-4 Readers and Writers* and *Literacy in the Middle Grades: Teaching Reading and Writing to Fourth Through Eighth Graders*. During the past three decades, Dr. Tompkins has also worked with kindergarten through college-level writing teachers at National Writing Project sites in California and Oklahoma.

Users Review

From reader reviews:

Willene Choate:

Now a day people that Living in the era everywhere everything reachable by connect to the internet and the resources in it can be true or not call for people to be aware of each details they get. How a lot more to be smart in getting any information nowadays? Of course the solution is reading a book. Studying a book can help men and women out of this uncertainty Information especially this Literacy for the 21st Century: A Balanced Approach with Video-Enhanced Pearson eText -- Access Card Package (6th Edition) (Books by Gail Tompkins) book because this book offers you rich info and knowledge.
