More Excel Outside the Box: Unbelievable Excel Techniques from Excel MVP Bob Umlas By Bob Umlas

A follow-up to *Excel Outside the Box*, *More Excel Outside the Box* is designed with the Excel guru in mind, introducing advanced, creative solutions and hacks for the software's most challenging problems. Through a series of more than 30 techniques, tables, formulas, and charts, this guide details processes that may be used in any Excel application and across all disciplines. Creative approaches for building formulas within formulas, pivot tables, conditional formatting, and mastering array formulas are just some of the numerous challenges explained. Other higher-level solutions discussed include using VBA macro code to override cell calculations, solve for sums from a text string, and trimming and cleaning all cells on a worksheet. This is the all-encompassing resource for advanced users of Excel wanting to learn more techniques to broaden and empower their knowledge of the program.

Users Review

From reader reviews:

Roderick Donnell:

In this 21st hundred years, people become competitive in every way. By being competitive right now, people have do something to make these people survives, being in the middle of the crowded place and notice simply by surrounding. One thing that at times many people have underestimated the item for a while is reading. Yeah, by reading a reserve your ability to survive raise then having chance to stay than other is high. For you personally who want to start reading a book, we give you this particular More Excel Outside the Box: Unbelievable Excel Techniques from Excel MVP Bob Umlas book as nice and daily reading e-book. Why, because this book is more than just a book.

Mark Shanks:

Reading a publication tends to be new life style within this era globalization. With examining you can get a lot of information that may give you benefit in your life. Together with book everyone in this world can easily share their idea. Books can also inspire a lot of people. Plenty of author can inspire their reader with their story or maybe their experience. Not only situation that share in the books. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors these days always try to improve their proficiency in writing, they also doing some exploration before they write on their book. One of them is this More Excel Outside the Box: Unbelievable Excel Techniques from Excel MVP Bob Umlas.

Eric Sanders:

The reason why? Because this More Excel Outside the Box: Unbelievable Excel Techniques from Excel MVP Bob Umlas is an unordinary book that the inside of the book waiting for you to snap it but latter it will distress you with the secret the item inside. Reading this book next to it was fantastic author who have write the book in such wonderful way makes the content on the inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of benefits than the other book have such as help improving your skill and your critical thinking method. So , still want to hold off having that book? If I were

being you I will go to the book store hurriedly.

Daryl Pena:

Many people said that they feel uninterested when they reading a reserve. They are directly felt the item when they get a half parts of the book. You can choose the particular book More Excel Outside the Box: Unbelievable Excel Techniques from Excel MVP Bob Umlas to make your personal reading is interesting. Your skill of reading expertise is developing when you just like reading. Try to choose simple book to make you enjoy to study it and mingle the sensation about book and looking at especially. It is to be initial opinion for you to like to available a book and go through it. Beside that the book More Excel Outside the Box: Unbelievable Excel Techniques from Excel MVP Bob Umlas can to be your friend when you're feel alone and confuse using what must you're doing of these time.
